How did you hear about SPP?

Have you ever been convicted of a felony?      Y   /   N   (if yes, please attach explanation to this form.)

PLEASE ANSWER THE FOLLOWING TWO QUESTIONS ON THE BACK OF THIS APPLICATION OR ON A SEPARATE SHEET OF PAPER.

1. As a cooperative, SPP is dependent on caregivers to assist with school operations and leadership. What do you envision bringing to the preschool community? Do you have any particular skills or interests that would help in operating the co-op?
2. Our mission is built on our core values of promoting diversity, environmental stewardship and social justice and our families' contributions to these areas strengthen our everyday curriculum.
  - a. How is diversity important to your family? In what areas would you like to grow?
  - b. In what ways does your family live "green"? Where are the biggest challenges you face? How can SPP support your family in overcoming these challenges?
3. SPP is committed to recruiting a class that reflects Seattle's socio-economic diversity. We reserve one-third of our spots for families with household income of less than \$50,000 in the most recent tax year and budget for aid packages averaging 60% of tuition. These spots are reserved until April 1, 2012, after which, any unfilled spots will be released for general registration.

To take advantage of this priority registration, check this box if your household income was less than \$50,000 in the most recent tax year. You may be asked to provide documentation of this fact.

Check this box if you would like to receive information on financial aid.

The registration fee and June 2013 tuition are non-refundable and are required to complete the enrollment process. Incomplete applications, or those submitted without these fees, will not be considered "received" until the date completed. September tuition is due at orientation. Please make your check payable to Seattle's Progressive Preschool.

Thank you for applying!

Seattle's Progressive Preschool is an affiliate of the Seattle Central Community College Parent Education Program, operating under its uniform bylaws. I understand that it is my responsibility to read the SPP handbook and meet the membership requirements therein.

We agree to enroll in Seattle's Progressive Preschool. In addition, I have read and agree to the following:

1. I will support SPP's commitment to social and environmental awareness and its efforts to welcome a socio-economically diverse class without regard to race, color, national or ethnic origin, creed, gender, gender identity, sexual orientation or disability.
2. I will support the classroom teacher with curriculum ideas in the above areas.
3. I will work as an assistant to the teacher in the classroom on scheduled work days (approximately once per week). If I cannot participate as scheduled, I will arrange for a substitute as specified in the SPP Handbook. When possible, I will trade shifts or cover for other families when they have scheduling conflicts.
4. I will complete the required safety orientation/training and I will support the health and safety guidelines as outlined in the Risk Management Manual.
5. I will attend monthly parent meetings held to discuss child development, children, parenting and classroom issues. I will notify my Class Representative if I must miss a meeting, and I am responsible for missed material. I understand that if I miss multiple meetings my membership is open for review and possible suspension.
6. I will pay the required tuition on the first of each month. I understand that a \$25.00 late fee will be assessed if tuition is not paid by the 7<sup>th</sup> of each month and, further, that the cooperative reserves the right to cancel my family's membership in the coop if tuition is more than a month in arrears. If I anticipate a late tuition payment, I will contact the Treasurer or a member of the Financial Aid Committee prior to missing a payment so that alternative arrangements can be explored.
7. I will hold and conscientiously perform a co-op job for the school year as outlined in the Handbook and ask a board co-chair for clarification when I am unsure of my duties.
8. I will help with necessary maintenance projects and work parties, including start-of-year setup and end-of-year breakdown.
9. I will bring healthful snacks to preschool when it is my family's turn to do so and will adhere to the class' critical allergy list.
10. I will participate in all fundraising events in the form of labor, financial support or both.
11. I will complete a health statement and immunization form for my child before the first day of school, sign medical release and permission forms and sign a release of liability for the school's landlord and co-tenants.
12. I will ensure that my child attends school in good health and I will inform the Class Representative and/or Teacher if my child has a contagious disease.
